## Fracture Two-Tone Wall Panels

---

Fracture Two-Tone is a double-layer acoustic wall panel precision cut to reveal the secondary base color. Various designs make up the 10 repeatable patterns that are entirely unique to Acoufelt. With our recent palette expansion bringing our total color offering to 38, Fracture Two-Tone collection allows for over 14,000 unique color and pattern combinations.

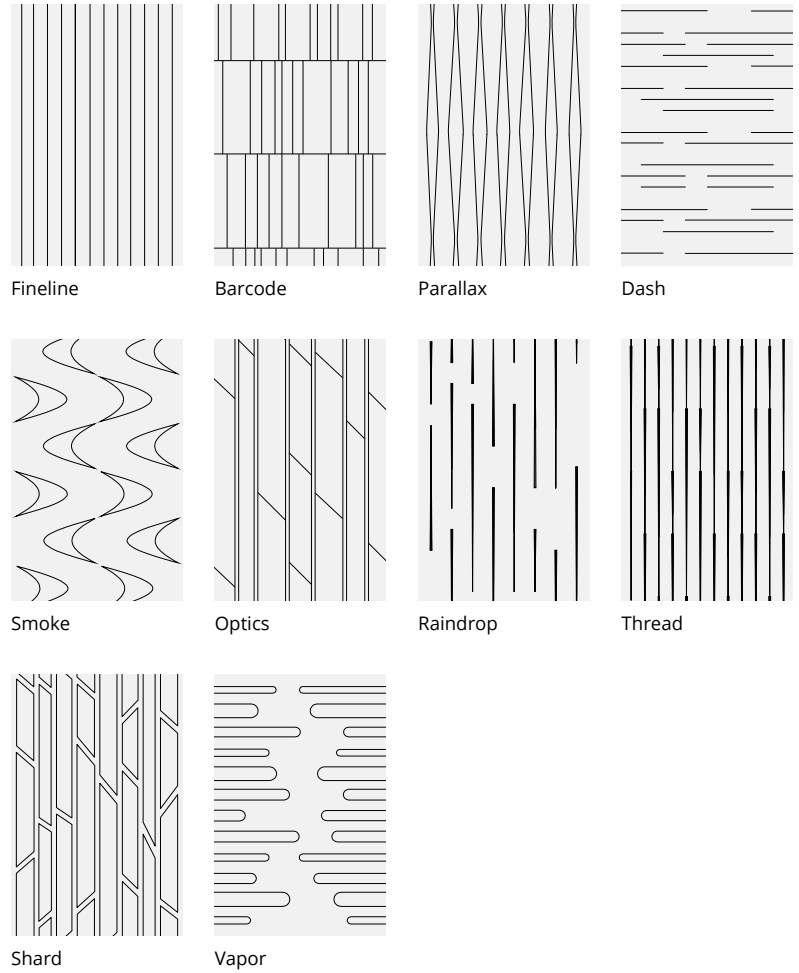

### PRODUCT FEATURES

- Over 14,000 color/pattern combinations
- Precision cut reveals base color
- 10 repeatable patterns
- NRC Rating: 0.45 - 0.85
- Made from 60% min. recycled content
