

Sway Baffle shown in Walnut WA56 (Side Wall) and Ivory IV11 (Top & Bottom Cap)

Sway

Ceiling Baffles

Sway ceiling baffles offer a streamlined design crafted with slight slopes on the ends to create a sense of movement and dynamism to your surroundings. Understanding that your space is an extension of your brand and personality, Sway baffles come with the option to customize the inset top and bottom with a secondary color of your choice. Align it with your brand's palette, complement your space's design, or simply infuse a splash of vibrant color - the choice is yours.
