

Waterfall Creative Cut Screen shown in Flamingo FL61

Creative Cut

Screens

Creative Cut transforms sheets of FilaSorb felt into lattice screens that help preserve transparency while cutting down on reverberation from glass walls and windows, create room dividers, manage the flow of traffic, or simply provide a sound managing pop of color and pattern where you want it. Choose from among our patterns or work with one of our customization teams to design your own.

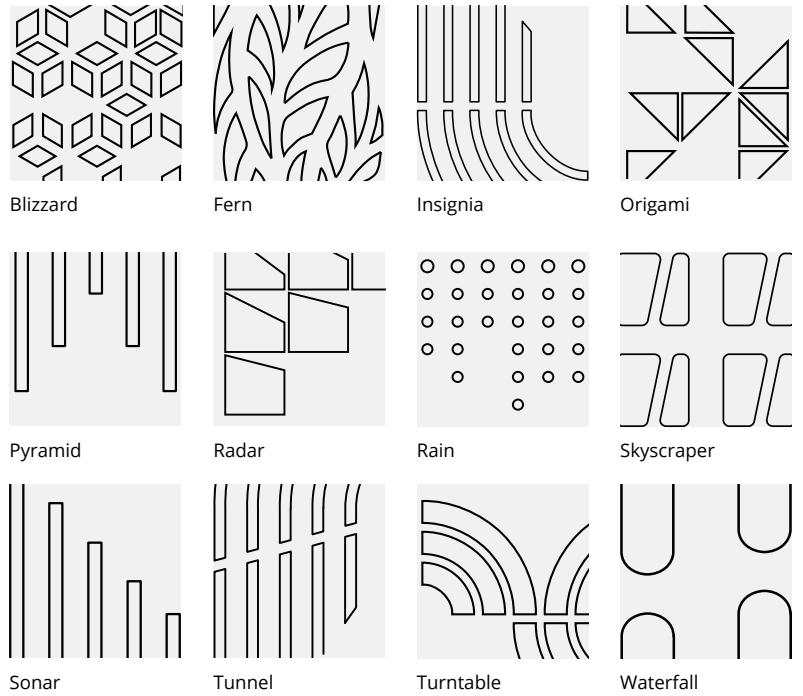

PRODUCT FEATURES

- Six new designs
- Multiple heights available
- NRC Rating: 0.45 - 0.60
- Made from 60% min. recycled content
