

# Float Ceiling Clouds

Naturals Collection

Transform any space with the visual allure and acoustic comfort of Float Ceiling Clouds. Suspended overhead in soft, natural layers, Float not only absorbs sound but also allows for subtle movement, creating a dynamic and calming environment. Available in multiple configurations—from organic and whimsical to defined and uniform—Float Clouds are crafted from 100% raw wool felt and come in a vibrant palette of colors. Offering an ideal fusion of elegance, functionality, and creative expression, Float brings both beauty and performance to any setting.
